Airline

#### Company Description

##### About Air New Zealand

Air New Zealand offers more direct flights to the South Pacific than any other airline, including nonstop flights from San Francisco, Los Angeles, Honolulu and Vancouver to New Zealand, as well as Los Angeles non-stop to the Cook Islands and Samoa. Other popular destinations include Australia, China, Japan and Tonga. In addition to flying non-stop LA-London, Air New Zealand's newest route, between London and Hong Kong, now allows customers to fly round-the-world on one airline. Consistently rated among the world's best international airlines, Air New Zealand's most recent accolades include recognition by the Condé Nast Traveler Reader's Choice Awards, the Travel + Leisure World's Best Awards and Business Traveler Magazine. United Mileage Plus, US Airways Dividend Miles and Air Canada's Aeroplan members earn and redeem mileage on select flights. Both flight and vacation essentials can be booked on [AirNewZealand.com](http://AirNewZealand.com), where the lowest online airfares are guaranteed. Flight and vacation bookings can also be made by calling 1-800-262-1234 in the USA and 1-800-663-5494 in Canada.
